

Tuition Rates 2017-2018

The Archdiocese of Los Angeles and the Department of Catholic Schools has asked each school to work toward a tuition rate that reflects the true cost of educating each pupil. As you can see below, the tuition at St. James continues to fall far below that cost. As a result, each family receives a substantial savings. It is hoped that with successful fundraisers and all families contributing to the Education Foundation, we will be able to continue to offer school families tuition rates below the cost per pupil.

SJC Active Parishioner Rate

An active parishioner is registered at St. James Church, attends Mass regularly, uses the weekly envelope or Faith Direct and participates in all mandatory school fundraisers. If you are not currently a registered parishioner of St. James Parish, and accepted, you will be asked to pay the **COST PER PUPIL** rate. Once registered in the Parish, there is a six month waiting period to show parish support before reducing tuition to **ACTIVE PARISHIONER** status (see below for break-down).

Tuition Rates 2017-2018
