Enroll Today!
Pick the Summer Institute destination that is just right for your child.

Whether you are looking for academic enrichment, artistic inspiration, skill strengthening or looking to learn something new... we are sure the Summer Institute at St. James School has something for you.

Our outstanding team of teachers provide a stimulating, caring and safe environment where all children can have the opportunity to think, create, grow and discover.

Beginning in 2015, the St. James Summer Institute has been providing summer enrichment programs for our local community and is proud to be open for all grade school age students to join in the fun of learning.
Summertime Institute 2018

St. James School Campus
4625 Garnet St. Torrance, 90503
310/371-0416
